FOREWORD

In the BUCCANEER we have tried to perpetuate the events that will always call to mind the spirit of Page.

The Parade . . . games . . . open houses . . . exams . . . dances . . . are just a few of the many moments we will cherish as the . . .

DEDICATION

We, the 1960 Buccaneer Staff, dedicate this yearbook to our three coaches: Mr. Les Swanner, Mr. Don Stowe and Mr. G. O. Mann, who have maintained an active interest in developing the true "spirit of Page." To these three coaches; whose judgment we have learned to respect, we dedicate this 1960 BUCCANEER.

Left to Right: Mr. Richard Wilson, Mr. Thornton H. Brooks, Mrs. L. E. Hoyle, Junior; (standing) Mr. R. K. Hunter, Mr. P. J. Weaver, Superintendent; Mr. James R. Perrin, Mr. Robert F. Moseley.

THE SCHOOL BOARD

The School Board is a group of education-minded citizens of Greensboro who strive to aid the functions of the Greensboro School System. The Board serves as a cabinet, headed by Mr. Weaver. They solve such problems as student-placement, employment of teachers, funds voted to individual schools, and other business. Also the board settles problems between the public and the schools. Page owes much to this board, and is grateful to them for their services.

P.T.S.A.

The P. T. S. A. was formed last year for the primary purpose of helping the students of Page. The Council President, the presidents of the classes, the chairman of the Traffic Squad, and the chairman of the Youth Recreation Committee, along with four parents, form this compatible board. Led by the active Mrs. John R. Taylor, President, the P. T. S. A. has greatly benefited Page in many ways.

STUDENT COUNCIL

One of the council's chief goals is to train Page students for active citizenship tomorrow by helping them to be good citizens now. By planning and sponsoring several projects this year, they worked toward realizing this goal. To begin, they welcomed new sophomores and acted as guides and helpers during registration. Next they supervised the sophomore elections, helping with the presentation of candidates, making arrangements for voting, and serving at the polls. The officers of the council served as guides at College Day. Some of the useful projects the council sponsored were the Thanksgiving and Christmas offerings, talent show, Honor Code Day, the Midwinter Dance, and the Spring Prom. They also kept the program of lunch-time recreation going. Before exams they presented a quiz to study. Awarding of citizenship pins and scholarship plaques, keeping of house and grounds, planning of assembly programs, and regulating traffic were all backed by the Council.

Rusty Taylor, one of the delegates from Page to the State Student Council Convention, was elected President of the State Student Council. This was a great honor to Rusty and to the Page elected President of the State Student Council.

HONOR SOCIETY

OFFICERS

Seated left to right: Becky Jones, Secretary: Gayle Metts, Treasurer: Standing left to right: Phillip Brady, President: Ann Patterson, Vice-President:

The Walter Hines Page Senior High School Honor Society was chartered last year by the National Honor Society in Washington, D. C. It is constituted under their standards of scholarship, leadership, service, and character. The society began its year with a membership of six seniors who were tapped last spring. At the fall induction, 1959, seven seniors were added to the membership. The final induction ceremony will take place in the spring and will concern both seniors and juniors.

Under the direction of Mrs. Betts, chairman; Mrs. Lasher; and Mrs. Hodnett, the society has acted as a babysitting agency for the P.T.S.A. meetings. Other activities include the sending of congratulatory letters to clubs and individuals who have given outstanding service to the school, congratulatory letters to the parents of honor students, and the use of citizenship posters when the need arose.

FUTURE TEACHERS OF AMERICA

OFFICERS

is teacher appreciation day. The club also baby-sits for the Cone School P. T. A. and helps teachers during the member's study hall.

The F. T. A. sells cookies, soap, and jewelry to raise money for their projects.

LATIN CLUB

The study of Latin is an interesting and colorful course. This classic language is especially valuable because of its relation to English and its practical usage in many professions.

Along with a study of the language, a history of the Roman people and their culture is presented. Through ancient writers, such as Homer and Virgil, students become acquainted with the literature of the period.

SPANISH CLUB

The Spanish Club was formed for the purpose of stimulating a greater interest in the Spanish language and in the countries in which Spanish is spoken, furthering the members' knowledge of the Spanish language and promoting greater academic achievement in Spanish.

LE CERCLE FRANCAIS

"The purpose of this French club is to further the members' knowledge of the French language, customs, and to learn more about the country, France."

Thus reads the preamble of the Page High School *Cercle Francais*, originated in the fall of 1959. These members, all of whom are French students, compose this educational organization.

Officers elected this year, from the more advanced French class include: president, Tex Cathey; vice-president, Sue Medley; secretary, Joy Axelrad; treasurer, Ken Vaughn; parliamentarian, Craig Navey; and chaplain, Muff Caffey. Very able assistance is provided by the advisor, Miss Briles, who constantly shares her knowledge of the French and their language with the Cercle.

In addition to the Tuesday night meetings, this club has undertaken many projects: presentation of a French play, performed by the members; French pins; labels to be canvased, and work for the Heart Fund Drive. All aided in keeping the French family busy.

Special meetings, such as at Christmas and Valentine's Day have been called, to which this organization responded willingly.

To sum up the text of their philosophy, those in the *Cercle Francais*, try to learn a little and play a little in what they consider their best French manners.

It strives to encourage student participation and provides valuable experience in preparing and publishing a fine newspaper.

BUCCANEER

"If the other students only knew how much work goes into a yearbook!" This is a familiar quotation heard from the BUCCANEER staff. Many hours have been spent by the staff trying to record lasting memories of the year 1959-1960 for you. At times it was a temptation to give up, but we considered the future, and our efforts have been most rewarding.

Working on layouts, taking pictures, and writing copy constituted the major activities of the staff members.

After last-minute preparations, the BUCCANEER staff delivered the annual to the publishing company. Exhausted staff members breathed a collective sigh of relief and sat back to await the final arrival.

This past year of 1959-60 the choir went to a contest in Burlington on March 17, 1960, and a few members of the choir went to a concert at Duke University on February 27, 1960. Both contests proved to be successful.

Page High School Orchestra was represented by five students at the solo and ensemble contest held in February at Duke University. The entire group participated in the district contest at Harrison and the state contest here in Greensboro.

Something new has been added at Page this year — a junior varsity basketball squad. Eight girls were chosen from a group of twenty-eight who tried out. These girls have great spirit and pay to the junior varsity basketball games. They are headed by Brenda Thomason and advised by Miss Beverly Snow. They worked hard to give the team the encouragement to "open up their eyes" both at home games and away games.

The Junior Optimist Club is a junior member of the Optimist International and is under its own charter from the national organization. They attain their purpose through optimism. Webster defines "optimism" as: "An inclination to put the most favorable construction upon actions and happenings, or anticipate the best possible outcome."

The club's first project of the year was selling Kleenex. This project increased the treasury to cover the many projects that the club carries out for the school. In the past year the Jr. Optimists and an organization of the Y.M.C.A. strived to gain prestige equal to that of other major clubs of the school.

Membership is open to any boy at Page who wishes to become a member upon approval by the present club members.

CIVITANS

The Junior Civitan Club was organized for the purpose of developing leadership, citizenship, and service to school and community. In the past months they have certainly upheld their high standards.

The club's year of service commenced with the publication of the Red and White Student Handbook. Next came the many pocket bulletin boards, containing dates of football and basketball games and other useful information.

Another new project was the publication of CivNews, a monthly news sheet, edited by Bob Bettis.

It is obvious from the list above that this is a club that truly fulfills its aims. Through the past year they have exhibited a fine example of a SERVICE club.

CLUB

SERVICE to community, to school, and to fellow students is the key to success for the hardworking Key Club members.

Some of that little spirit's influence is evident in all school organizations, but there is more than a generous school-spirit haze around the Key Club. Members of this club moved around in its haze, selling pennants, programs, and ribbons at the football and basketball games to make money for their services to the student body.

The biggest project of the year was the publication of the student directory, complete with student and faculty names, addresses, and phone numbers. Weeks of work were put into this project and it was financed by the sale of advertisements. Thus it was a generous gift, as well as an indispensable one, to students and teachers.

During the rest of the year the club has carried out many other useful projects for the school.

The one thing the Key Club tries to do is never to let an opportunity to serve Page High School pass unnoticed.

The Junior Engineers is an organization devoted to the advancement of science at Page High School. This year the main project was the science fair. The sophomore class had the most entries because they compose the largest science group. The group hopes in the following years they will have as much good participation in the science fair as they enjoyed this year.

The Junior Engineers is ably headed by Mr. Donald Stowe.

G.A.A.

This year the Girls Athletic Association has planned and carried out many services for the school. The students enjoyed "Fun Night" and "Circus Night".

The red and white welcome banner in the gym was made by G.A.A. members.

Miss Seawell and several club members taught tennis in the spring to all girls interested.

The highlight of the year for G.A.A. members was the annual playday at W.C.U.N.C., where G.A.A. Clubs in North Carolina participated in races and tournaments.

Junior Varsity Basketball, although sometimes unnoticed, is the springboard for many varsity athletes. This phase of basketball improves natural ability and confidence in young players. Working to win, and building a team for the future is the purpose of the Junior Varsity team.

WRESTLING

Page was the scene for the NCHSAA Championship Tournament this year. Billy Bookout became the one hundred thirty three pound state champion and Bobby McCaskill was second in the one hundred and twelve pound class. Although Page won only four of their ten matches, several boys were outstanding along with Bookout and McCaskill. They are Wayne Durham, Elzan Cox, and Don Smith.

TRACK

The 1959 track team was coached by Clyde Etheridge. They had a successful season, placing fifth in the state and second in the regional one mile relay race. Besides the relay, the team trained for high jumps, pole vaulting, dashes and discus throwing. Several members placed high in the state rating and were a credit to the team and their coach. Among the opponents were Greensboro Senior High, Madison, Durham, and other Piedmont teams.

GOLF

The Page Golf Team placed higher in the State High School Tournament than many of the bigger high schools in the state. They won four and lost four; the four lost were to 4-A high schools.

SWIMMING

Although the swimming team did not have a victorious year, they did well for themselves under the able direction of Mr. David Sharp. They traveled far and near to meet all foes. The site of the home "tank" was Central Y.M.C.A. The team and the 'Y' got along well. Let's all say, "Thanks for a job well done."
